

APRIL 28, 2023

I'm Abish Len Villan Oquias, 21 years old and currently living in Block 4 Lot 2 and 3, Country Homes, Brgy. Atiis, Bacolod City, Neg. Occ. I was on my way home last April 14, 2023 at around 10:00 pm while riding on my motorcycle which is a Suzuki Burgman, together with my friend Kimberly Khate S. Peha 21 years old and living in Prk. Saint Vincent, Brgy Atiis, Bacolod City, Neg. Occ. While we are passing on the fronting of Sanctuary de Bacolod, Bacolod City, a stray dog unexpectedly ran through our way which I accidentally hit the dog and resulted for us to fall on the ground and sustained injuries in different parts of our body. I fell unconscious and when I woke up, I was inside the ambulance and in the hospital. We were given first aids and did some tests, and we have been given also medicines to take.
