## RESUMPTION OF OFFICE OPERATIONS

# BACK TO THE WORKPLACE

After months of community lockdown, Stronghold's offices nationwide resumed operations in May and are now back in business ready to serve its partners and clients.

Regional Office

**Western Visayas  
Regional Office**

**General Santos  
Regional Office**

**Southern Tagalog  
Regional Office**

**Tacloban  
Regional Office**

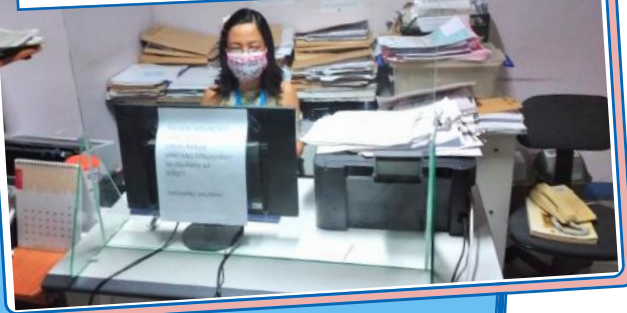

Alongside Stronghold's priority of providing quality service is the mitigation of the effects of COVID-19 by taking precautionary measures and observing strict health protocols in the workplace.

Essential in the on-going battle against the virus, a Rapid Antibody Testing was conducted prior to the company's full operations for the health and welfare of its employees.

**Cebu Regional Office**

Other safety and health practices include social distancing, mandatory wearing of face masks, screening for symptoms before entering the building, temperature monitoring, setting up of sanitation stations, and regular disinfection of its facilities. Workplace shields or partitions were also installed to block airborne particles and require minimum distances.

As the Modified Enhanced/General Community Quarantine remains in effect, Stronghold continues to provide transportation services for employees going to the office and implements work-from-home arrangements.

As Stronghold copes with the new normal, it stays committed to its mission of providing excellent insurance products and services — all while stopping the spread of the virus and ensuring everyone's health and safety.

**Imus, Cavite BDO**

# HELPING HANDS AMIDST THE PANDEMIC

**STRONGHOLD'S DONATION AND VOLUNTEERING DRIVES**

In hopes of providing relief and appeasing financial qualms in the wake of the crisis, Stronghold continues to extend aid to its agents and underprivileged communities.

- Rechellie Escona May 28

### OZAMIS BRANCH

- Alken Maraviles May 26

## THE NEW NORMAL MANAGERS ONLINE CONFERENCE

The series of Managers Conferences held annually in the respective regional areas of Stronghold offices/branches took place in a different venue this year: *online*.

Although online meetings were uncharted territory, the dialogue and participation among the managers were as dynamic as ever. As anticipated, statistics for 2019 and the first quarter of 2020 were presented, concerns were raised, strategies were updated, and top performing offices were recognized.

As everyone copes with the "new normal", Stronghold takes this opportunity to innovate and revisit its existing programs and procedures.
